## Letters From France

(Continued from last page)

never hear anything from him. I wrote to him in January. Tell him to write sometimes. And what has become of Hugo, Curis and Nettie? Tell them to write to me; I haven't for gotten them yet.

Lili, I guess you all have gotten several letters from E. I didn't know where he was until you sent me his address. Oh! how I would like to see him once more. I haven't seen him since August. The only fellow I know here is Lucy Morris. I see him nearly every day.

Guess it's beginning to look like spring at home. It is still cold here, we had snow yesterday. Lili, Kate wrote me you all had closed the S. S. I hope you'll be able to start it again. Suppose Uncle Noel is still superintending. I wrote to him a long time ago but haven't heard anything from him. I don't suppose he got my letter. I also wrote to Otto and Inez.

Tell me I am very glad to see you. I am sure you are all well. I will make it right with him when I get back. Guess he has lots of pigs by now and can get a good price for them. Well, must stop for this time, as can think of nothing else to write to me real soon and tell the others to write. Pray for me.

The Kaiser called the Devil up. On the telephone one day. The girl at Central listened. To all they had to say.

Hollo!—she heard the Kaiser's voice— Is old Satan home? Just tell him this is Kaiser Bill. That wants him on the phone.

The devil said hello to Bill. And Bill says how are you. I'm running here a hell on earth.

So tell me what to do. What I do do the devil asked. My dear old Kaiser Bill; Is there anything that I can do to help, I surely will.

The Kaiser said, Now listen, And I will try to tell. The way that I am running. On earth a modern hell. I've saved for this for many years.

And I've started out to kill And it will be a modern job— You leave it to Kaiser Bill. My army went through hell.

Shot women and children down, We tore up all her country And blew up all her towns. My Zeps dropped bombs on cities.

Killed both old and young And those the Zeps didn't get. Were taken out and hung. I started out for Paris.

With the aid of poison gas, The Belgians, d— them, snip and snip. And would not leave us pass.

The subs are little devils, Why, you should see them fight; They go sneaking through the sea.

And sink a ship on sight, I was running things to suit me. Till a year or so ago, When a man named Woodrow Wilson.

Wrote to me to go more slow. He said to me: Dear Wilhelm, We don't want to make you sore, So tell your little U-boats.

To sink our ships no more. We have told you for the last time, So Bill let's up to you. And if you do not stop it, You will have to fight us too.

## THOSE TRIUMPHAL GERMAN HELMETS

Eighty-five thousand German helmets, captured by allied troops in Belgium, are to be awarded as prizes by the Red Cross to the Victory League members. They will be given to Victory League members in the form of a special day and night on the 10th of May. The helmets are shown in the picture above, taken at the Victory League headquarters in Washington, D. C. The helmets are of the type worn by the German army in the last war. They are of the type worn by the German army in the last war. They are of the type worn by the German army in the last war.

These helmets were a special supply held in reserve for a triumphal entry into Paris. Eventually they arrived at the Victory League headquarters in Washington, D. C.
